

**Nolan's one-piece, steel tool and supply cart offers convenience, durability, and a 1,000 lb. load capacity!**

Convenience, durability, and substantial load capacities have made Nolan's Tool and Supply Carts standouts in the maintenance-of-way industry for years. Nolan's most recent addition to its TS Series carts adds even more flexibility to the lineup. Model TS-1-116 is a lightweight, one-piece steel cart designed for light duty tasks.

**FEATURES:**

- One-piece construction means no pinch points!
- Lightweight -- only 95 lbs!
- Large deck area -- 3 ft. x 4 ft. (36" x 48")
- 1,000 lb. load capacity
- 5" dia. cast aluminum wheels with pre-greased, sealed bearings
- Insulated axles
- Parking brake
- Cart fits standard track gauge (56-1/2" width)
- Locking/removable handle

**Nolan's Line of Tool and Supply Carts**
